

PHT2/2
Philosophy Tripos Part II

Tuesday, 28 May 2024

13.30 to 16.30

Paper 2

PHILOSOPHY OF MIND

Answer **three** questions only.

Write the number of the question at the beginning of each answer.

*Write your candidate number, **not** your name on the cover sheet of **each** answer booklet.*

STATIONERY REQUIREMENTS

*20-Page Answer Book
x 1 Rough Work Pad*

You may not start to read the questions printed on the subsequent pages of this question paper until instructed to do so.

1. Is the combination problem any easier to solve than the hard problem of consciousness?
2. 'There is just one form of knowledge, including knowledge of the self, other minds and external objects'. Do you agree?
3. 'For a system to represent, it must be capable of misrepresenting.' Discuss.
4. Can the peculiar features of self-knowledge be explained by appeal to our rational capacities alone?
5. Is addiction a disease of the will?
6. Is there something that stands to desire as imagination stands to belief?
7. What, if anything, is the difference between perception and belief?
8. Can consciousness be physical without being reducible to the physical?
9. Should we conclude that intentions are beliefs on the grounds of ontological parsimony?
10. Is the existence of the unconscious a problem for intentional theories of consciousness?
